Preparing for Your Surgical Procedure

5-7 Days Before Procedure:

- If you smoke or drink, stop now.
- Stop taking:
 1. Green tea
 2. Aspirin
 3. Motrin
 4. Ibuprofen
 5. Diet Pills
 6. Vitamin E
 7. Ginkgo Biloba
- Tylenol is okay.

1 Day Before Procedure:

- Our office will call you to confirm surgical time.
- If you have not heard from us by 4 PM, please call our office.
- You must have someone to pick you up after surgery if you are having any sedation for your procedure.

Post-Operative Call.

- Your first post-operative appointment is scheduled for one week after surgery, unless you are having problems or questions. In that case, call the office and we will see you earlier.

In Case of an Emergency

- If you have an emergency, call the office first if it is during our daytime hours of 9AM-5PM Monday-Friday.
- After 5PM and weekends, call Dr. Choby at 202-288-8052.
